COMMENTS FROM KU PARTICIPANTS

Taay from the Jamaica

I like it because we got to explore and see lots of things that were exciting and do fun stuff together that made the group closer.

Rita from China

My Konkuk buddy was extremely nice, and I really felt that if I needed any help I could reach out towards her. It was an amazing experience! I want to go back for the friends I made there and to go to the places I didn't get to go to and to eat the things I didn't eat.

Jack from the U.S.

It rocked! It was awesome! I'd love to come back and continue talking with KU students! Especially Beer and Chicken at the river was awesome.
